

## MVDSA Family Fun BINGO Night!

### **BINGO** is back by popular demand!

Join us for a fun night of BINGO. We will serve pizza for dinner and then we'll have a few rounds of Bingo with small prizes. This is just for fun — no gambling or money involved, just time to catch up with friends new and old! Bingo is not only great family fun for all ages—it can also provide practice with number and letter identification and auditory processing.
